As per our academic calendar, Parents – Teacher Meeting for first sem students have been arranged on 28th Oct 2018 from 10.00 am to 1.00 pm at the central level in Auditorium Hall. All the counsellors of each department were present in Auditorium Hall at 9.45 am. They kept all documents of students with them like Attendance Report of ERP, Progressive Report, Test Marks, Midsem Result and Undertaking Forms. Most of them were having a laptop to fill the comments at the same time. This time counsellors have filled comments in new comprehensive counselling sheet (CCS). We got a huge response on PTM day. Parents of 38 students were present in PTM. Nearly 80 persons were there in degree. Some of the parents also came to meet counsellors apart from a scheduled date before Parent – Teacher Meeting held on 28/10/2018.

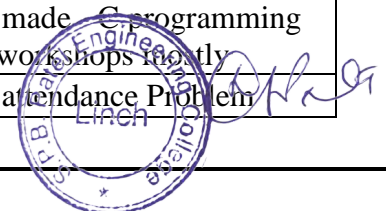

Dr. Pooja Madam has delivered the presentation on the various curricular, co-curricular and extracurricular activities performed by first-year students. This time also we have arranged combined Parents Teacher Meeting for both Diploma and Degree students. Parents response was so good. They were observed quite satisfied.

Points of improvement

1. Some new ideas can be a brainstorm for parents welcome.
2. Counselling workshop is needed, so that they can talk beyond the marks and attendance.
3. Someone should present out of the presentation hall so that no parents go directly to the auditorium hall without attending the presentation.
4. PTM team will cross-check whether SMS of mid marks and invitation for PTM is sent or not.

As per our academic calendar, we have arranged First Parents – Teacher Meeting on 11th March, 2018 from 10.00 am to 1.00 pm for all semester students at central level in Auditorium Hall. All the counselors of all semesters from each department were present in Auditorium Hall at 9.45 am. Total **61** parents were present on the same day. Some of the parents also came to meet counsellors apart from scheduled date before Parent – Teacher Meeting held on 11/03/2018.

Everytime, Prof. Avani Madam arrange a different thing which gives some knowledge about counselling of students to their parents. This time she has arranged video session in waiting room (Room no. 232) and a wonderful session in room no. 233 which has given an excellent information about the college and the efforts that are taken by college for the students. This session was delivered by Prof. Pooja Mehta and Prof. Hemani Dave. They got superb response from Parents. One more thing, this time we have arranged combined Parents Teacher Meeting for both Diploma and Degree students. We have heartily welcomed to all Parents by giving red rose to all Parents. Prof. Krina Madam, Prof. Mitesh Patel, Prof. Gautam Dadhich and Prof. Drashti Patel have done this work sincerely. Duration: 07/09/2020 to 17/09/20

Submitted:

As per our academic calendar, we arrange the Parents-Teacher Meeting regularly in each semester but in this semester due to the pandemic condition of COVID- 19, we are not able to arrange the Parents-Teacher Meeting at college and we are also very unhappy for the same. So we were thinking of contacting the parents on Google meet. We first identified the students on the basis of following criteria like less attendance, some bright students who are not taking interest in online classes means not concentrating in the lectures and those students who have good attendance but not getting good marks in MID SEM-1. The counselors have informed their parents of such students and arranged the meeting on Google Meet between 7th September, 2020 to 17th September, 2020.

As per our academic calendar, we have arranged a First Parents – Teacher Meeting on 15th March, 2020 from 09.45am to 1.00pm for all semester students at central level in Auditorium Hall. It was a combined Parents – Teacher Meeting for both Diploma and Degree Engineering college. All the respective counselors from each department were present in the Auditorium hall at 9.45am with all documents of students like Attendance Report of ERP, Progressive Report, Test Marks, Midsem Result and Undertaking Forms. We got a good response as **55** parents have come on that day. Some of the parents also came to meet counselors apart from scheduled date means before this Parent – Teacher Meeting.

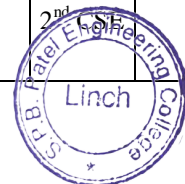

Activities done by Parents Teacher Meeting Design & Execution Team:

It is important to convey to parents what is going on throughout the year in college for students' development. Like every year, this time in PTM we covered various college updates, happenings, achievements in the form of PPT. It covered the following points: 1. Results 2. National Conclave 3. Veyg 2020 4. Workshops and Training Programs 5. Industrial Visits 6. Placements.

There were a total 4 rounds of presentations attended by around 125 parents and students. The members of the Presentation Team were Dr. Pooja Mehta, Prof. Kunalsinh Kathia, and Prof. Mehul Patel. Parents were happy to see the initiatives and achievements of the institute. When asked, some of them knew the happenings at Saffrony. Some parents mentioned that they are happy to attend PTM and they specially made arrangements, cancelled their programs to make sure they are able to attend PTM. There was an arrangement of tea and biscuits for the students and parents. Parents seemed greatly satisfied with the arrangement.

Parents – Teacher Meeting
of
1st Year Students

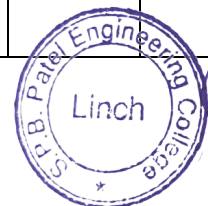

Mechanical Department
Computer Department
Information and Technology Department

Duration: 09/01/2021 to 17/01/2021

Submitted:

As per our academic calendar, we arrange the Parents-Teacher Meeting regularly in each semester but in this semester due to the pandemic condition of COVID- 19, we are not able to arrange the Parents-Teacher Meeting at college and we are also very unhappy for the same. So we were thinking of contacting the parents on Google meet. We first identified the students on the basis of following criterias like less attendance, some bright students who are not taking interest in online classes means not concentrating in the lectures and those students who have good attendance but not getting good marks in MID SEM-1. The counselors have informed their parents of such students and arranged the meeting on Google Meet between 9th January, 2021 to 17th January, 2021.

Summary:

Parental 👨👩👧👦 encouragement has always played a crucial role in raising successful students. Therefore, a *parent-teacher 👨👩👧👦 meet* was organized at *Saffrony 🏢 Institute of Technology*.

The aim was to acquaint the parents with full knowledge of the *🎉 events happening in the college 🎉* and their *ward's performance 📊 in curricular*, *co-curricular 🧐*, and *extracurricular 🕶️* activities. This meet had 2 attractions:

1. A *Game Zone called WIFI* i.e, Without 🚫 Internet 📱 Family 👨👩👧👦 Interaction

Summary Report on [Parents Teachers Meeting](#)

2. A *PowerPoint  Presentation* where the parents were oriented and briefed about the *new achievements  & updates * of the institute.

As per our academic calendar, we arrange the Parents-Teacher Meeting regularly in each semester. We first identified the students on the basis of following criterias like less attendance, some bright students who are not taking interest in online classes and not concentrating in the lectures and those students who have good attendance but not getting good marks in MID SEM-1.
