INTERNATIONAL ROBOTICS EVENT named - TECHNOXIAN organized by Central Government's - AICRA - All India Council for Robotics & Automation.

Malay Modh and Abhishek Bhama, two final-year mechanical engineering students, have illuminated Saffrony Institute of Technology with their latest triumph on the international stage. Their exceptional skills were showcased at the prestigious INTERNATIONAL ROBOTICS EVENT, TECHNOXIAN, organized by the Central Government's AICRA (All India Council for Robotics & Automation).

Taking place in the heart of the nation, New Delhi, on the 30th of June and 1st of July in 2018, this event attracted talent from across the globe. Undeterred by the fierce competition, our students fearlessly entered the arena, participating in the challenging disciplines of RoboSoccer and RoboRace.

Their mettle was tested against not only participants from various states of India but also contenders hailing from countries as far-reaching as China, Vietnam, and Germany. Despite the formidable competition, Malay and Abhishek exhibited exceptional prowess, emerging victorious with the coveted 3rd Prize in both competitions.

Their achievement is all the more remarkable considering they surpassed the skills and expertise of approximately 150 to 300 competitors. Their triumph not only brings honor to themselves but also shines a bright light on the prowess of Saffrony Institute of Technology on the global stage.
