Circular

Dear Students,

As we embark on another academic year i.e. 2021-22, we are excited to offer a variety of workshops and lectures to support your personal and professional development. Here are the details of the upcoming events:

1. Expert Lecture on How to Develop Self Confidence:

- Date: 13th July, 2021
- Details: Gain valuable insights and techniques from industry experts to boost self-confidence.

2. Career Counselling & Interview Preparation Session:

- Details: Receive guidance and tips to excel in job interviews and career planning.

We encourage all students to take advantage of these opportunities to enhance their skills and readiness for the future.

Special Session Report: "How to Face GTU Exam Smartly" for 1st Year Degree Engineering Students

Date: July 13, 2021

Organized by: S.P.B. Patel Engineering College

Participants: 130 students from 1st Year Degree Engineering

Conducted by: Dr. Vishnu Awasthi

Introduction:

On July 13, 2021, S.P.B. Patel Engineering College organized a special session aimed at equipping 1st Year Degree Engineering students with strategies to approach Gujarat Technological University (GTU) exams effectively. The session, conducted by Dr. Vishnu Awasthi, focused on imparting essential techniques and insights to enhance exam performance and strategic preparation.

Session Overview:

Dr. Vishnu Awasthi led the session with a comprehensive flow that covered essential aspects of exam preparation and smart strategies for success. The session included valuable advice on writing exams effectively, useful tricks for exam preparation, and planning for upcoming mid-semester and GTU exams.

Key Points Covered:

1. Understanding GTU Examination Pattern:

- Detailed explanation of GTU exam pattern, including types of questions, marking scheme, and examination duration.
- Insights into the weightage of different topics and chapters in the syllabus.

2. Effective Time Management:

- Techniques to create a balanced study schedule, allocating sufficient time to cover each subject.
- Importance of regular study breaks to maintain focus and productivity.

3. Strategic Study Techniques:

- Overview of various study methods such as active learning, concept mapping, and spaced repetition.
- Tips for effective note-taking during lectures and self-study sessions.

4. Utilization of Resources:

- Guidance on utilizing textbooks, reference materials, and online resources for comprehensive understanding and practice.
- Introduction to GTU's online platforms for accessing study materials and previous question papers.

5. Stress Management:

- Discussion on stress management techniques, including mindfulness, relaxation exercises, and healthy lifestyle habits.
- Importance of maintaining a positive mindset and seeking help when needed.

Interactive Sessions and Action Planning:

The session featured interactive segments where students could engage with Dr. Vishnu Awasthi, ask questions, and share their experiences. At the end of the session, each student was provided with a card to write down their target and action plan for achieving success in GTU exams. This exercise aimed to encourage students to set clear goals and commit to their academic objectives.

Conclusion:

The special session on "How to Face GTU Exam Smartly" conducted by Dr. Vishnu Awasthi proved highly beneficial for the 1st Year Degree Engineering

students of S.P.B. Patel Engineering College. By providing practical insights and actionable strategies, the session empowered students to approach GTU exams with confidence and efficiency.

The interactive nature of the session and the inclusion of action planning elements ensured active participation and commitment from the students towards their academic goals. S.P.B. Patel Engineering College remains dedicated to organizing such informative sessions to support the holistic development and academic success of its students.

EXPERT SESSION

"HOW TO FACE GTU
EXAM SMARTLY"

S.P.B. PATEL
ENGINEERING COLLEGE
SAFFRONY INSTITUTE OF TECHNOLOGY CAMPUS

Date: July 13, 2021

Timing: 11:00 AM to 1:00 PM

Venue: Auditorium hall, Saffrony Institute

Expert Name: Dr. Vishnu Awasthi

**S. P. B. PATEL
ENGINEERING COLLEGE**

SAFFRONY INSTITUTE OF TECHNOLOGY CAMPUS

2021-22

**Report of
Expert Lecture
How to Develop Self Confidence**

Report on Expert Lecture- How to Develop Self Confidence

Organized by: Saffrony Institute of Technology

Date: 2021-22

Duration: 10:30 am to 12:10 am

Venue: Google Meet Online Meeting Application

No. of Participants: Approx. 54 students of sem-2 Mechanical, Civil and Automobile Branch

Introduction and Objective:

Build **self-esteem** by discovering their unique abilities and characteristics. Develop positive attitudes toward school and toward lifelong learning. Recognize the role of the individual in the global community. Develop an awareness of and sensitivity to issues of cultural and gender equity.

Workshop details:

The topic of the lecture was “**How to Develop Self confidence**”. The objective of the lecture was students understand their unique abilities and characteristics.

The speech of highly experienced Maitrey Mam gave an illustrative presentation about the how to develop soft skills. The main focus of this record work is on **understanding** the physical, mental, emotional and spiritual. The main **objective** is to understand meaning, importance and various factors related to **self** concept and **self** esteem. It was very appreciated by students as complete session was full of ideas about how to implement our thoughts from drawings to ground.

Total 54 students & faculty members attended the expert lecture.

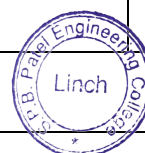

The students asked different types of questions related to the topic. Outcome of the lecture was students were able to know **Self confidence lesson**. Helping young people identify the feelings experienced when facing and overcoming a challenge, such as adapting to big changes or new

ways of learning and working, can be an important step to recognising the benefits of successfully tackling challenges in the workplace

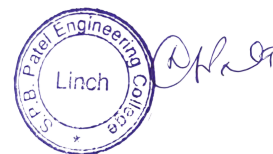

At the end, faculty members and Students appreciate, and gave a vote of thank on behalf of institute.

Report on **Career Counselling & Interview Preparation Session (2021-22)**

Introduction:

In the academic year 2021-22, Saffrony Institute of Technology conducted a comprehensive Career Counselling and Interview Preparation session, with an active participation of 123 students. The session aimed to equip both pre-final and final year students with essential skills and knowledge crucial for excelling in the professional realm.

Event Overview:

The Career Counselling & Interview Preparation session was designed to provide students with personalized guidance on career paths, effective interview strategies, and practical insights into handling various interview formats. Experienced career counselors led the session, considering students' interests and aspirations. The event incorporated interactive workshops and mock interviews to provide students with valuable hands-on experience in navigating the job application process.

Key Objectives:

1. Equip pre-final and final year students with essential skills and knowledge for professional success.
2. Provide personalized career guidance tailored to students' interests and aspirations.
3. Offer practical insights into effective interview strategies and handling various interview formats.
4. Conduct interactive workshops and mock interviews to provide hands-on experience.
5. Foster a deeper understanding of career choices and enhance students' abilities to present themselves successfully in interviews.

Participants:

A total of 123 students actively participated in the Career Counselling & Interview Preparation session, showcasing widespread interest among students in enhancing their professional skills and preparing for future career opportunities.

Session Highlights:

1. Personalized Career Guidance: Experienced career counselors provided personalized guidance to students, considering their individual interests and aspirations. This approach ensured that students received tailored advice relevant to their career goals.

2. Effective Interview Strategies: The session delved into effective interview strategies, offering practical insights on how to handle various interview formats with confidence. Students learned techniques for articulating accomplishments and presenting themselves successfully to prospective employers.

3. Interactive Workshops: Interactive workshops were conducted to engage students actively in the learning process. These workshops provided opportunities for students to practice interview scenarios, refine their communication skills, and receive constructive feedback.

4. Mock Interviews: Mock interviews were organized to simulate real-world interview experiences. Students gained valuable experience in navigating common interview questions, showcasing their skills and qualifications, and receiving feedback on their performance.

5. Holistic Approach: The session adopted a holistic approach to career counselling and interview preparation, ensuring that students gained not only technical knowledge but also the soft skills necessary for professional success.

Institute's Commitment:

The Career Counselling & Interview Preparation session underscored Saffrony Institute's commitment to preparing its students for the challenges and opportunities in their professional journeys. By providing comprehensive guidance and practical experience, the institute demonstrated its dedication to empowering students for success in the competitive job market.

Conclusion:

The Career Counselling & Interview Preparation session at Saffrony Institute of Technology in the academic year 2021-22 was a successful initiative, with 123 actively participating students. Through personalized career guidance, effective interview strategies, interactive workshops, and mock interviews, students gained valuable skills and experience to excel in their professional endeavours. Saffrony's commitment to preparing students for the challenges and opportunities in the professional realm was evident through this holistic and impactful session.
