

Report on Presentation Skills Development Session

Date: June 18th, 2019

Facilitator: Dr. Pooja Mehta

Participants: 72 6th-semester students

Introduction:

The session focused on honing the presentation skills of 6th-semester students alongside enhancing their paper writing abilities. Dr. Pooja Mehta led the session, emphasizing effective presentation methods to structure content, utilize visual aids, and deliver engaging presentations.

Key Objectives:

1. Enhance students' ability to deliver engaging presentations.
2. Provide guidance on structuring presentation content effectively.
3. Teach students how to use visual aids to support their presentations.

Session Overview:

1. Structuring Presentation Content:

Dr. Pooja Mehta guided students on organizing presentation content coherently, ensuring logical flow and clarity. Students learned the importance of outlining key points and supporting details to maintain audience engagement.

2. Utilizing Visual Aids:

Practical demonstrations were conducted on effectively incorporating visual aids such as slides, charts, and graphics into presentations. Students were taught to use visual elements to complement verbal explanations and enhance audience understanding.

3. Delivering Engaging Presentations:

Dr. Pooja Mehta provided strategies for delivering engaging presentations, including techniques for maintaining eye contact, using gestures, and modulating voice tone. Students learned to captivate their audience and convey information persuasively.

Outcomes:

1. Improved Presentation Skills
2. Enhanced Communication Abilities
3. Increased Audience Engagement
4. Utilization of Visual Aids
5. Preparation for Professional Settings

Conclusion:

The Presentation Skills Development session conducted by Dr. Pooja Mehta equipped 6th-semester students with essential skills for delivering compelling and effective presentations. By focusing on structuring content, utilizing visual aids, and delivering engaging presentations, the session prepared students for success in academic presentations and future professional endeavors.
